Delivery Rider using Motorcycle (NDCA)	\$250	\$200											
Delivery Driver using Petrol/Hybrid Vehicle (NDCA)	\$400	\$350											

<b>A7 Why does the quantum of cash relief differ between different groups?</b>
<p>As part of the intent of the NTUC U FSE Relief Scheme is to provide additional assistance for those negatively impacted by the increase in petrol duty rate, the cash relief differs between drivers and riders due to the extent of the impact on both groups.</p> <p>For the Combi Bus and Limousine Drivers, the cash relief offered is in view of the extent of negative impact on trade income as a result of the COVID-19 pandemic.</p>
